- 7 **Planning**
11/02920/WCM
Councillor Aylen outlined his concerns with the Hills Waste application.
- he felt the case was not yet made
 - traffic implications were a major consideration with an increase in the number of lorries a day
 - council should support Calne Council who are opposed to the plans
- Organise Andrea Pellegram, Hills Group, to attend next meeting to respond to further questions from Councillors on their concerns. Clerk
- Councillor Aylen to organise attendee from Calne Town Council. Aylen
- Councillor Miller asked if we had received Hills screening application. Clerk advised this application was not registered as a Calne Without application. Clerk
It was agreed unanimously that we seek Wiltshire Council Planning to send copies of all plans for Hills and Virador that might effect the Parish.
8. **A4 Speed Measures**
Councillor Jones and Aylen, Mrs Wallis and Highways had met and agreed possible sites for village gates and discussed notices. Highways considered installation would be best progressed in the next financial year when more finance would be available.
It was agreed unanimously that Councillor Aylen would investigate gate prices. It was hoped to joint fund with possible donations from Hills Group, Area Board and Parish Council. Aylen
9. **Any Questions**
1. Councillor Eadon reported urgent pothole problems at Calstone. Clerk
Progress with Steward.
 2. Councillor Cook advised on overgrown pathway between Derry Hill to Barry Place. Lord Lansdowne considered pathway probably owned by developers, Bowood Estates would confirm in order that problem can be resolved. Clerk
 3. Councillor Cole updated council on reported water standing problems at Stockley. It was agreed unanimously only to progress if this becomes a hazard.
 4. Councillor Miller updated council on community liaison meeting:
 - Speed limits through Lower Compton
 - Hills well drive campaign
 - Naafi hall, where Hills will maintain ownership and community would develop, further meeting in October
