

Agenda Item 9.3  
Calne Without Parish Council  
9<sup>th</sup> December 2019

### Stockley Bus Shelter

The Council made the following decisions about the Stockley Bus shelter on the 9<sup>th</sup> September 2019

#### **"Stockley Bus shelter and Bin"**

Councillors considered the usage statistics Cllr Rees presented at the meeting of 21 passengers using the No.42 bus service from Stockley during August and considered the issues of value for money and precedent. Cllrs also heard that the school bus currently picks up from a driveway and that it was hoped that if the shelter was provided the pupils could move to the safer, drier bus stop to be picked up.

Proposed: Cllr Cook

Seconded: Cllr Malpas

Agreed:

- 1. That the Parish Council request Wiltshire Council to move the existing bench at the Stockley Bus stop platform from its current position to a position to the east of the bus stop pole and secure it to the ground. This will be included in the dropped curb work to be carried out at the bus stop as part of Area Board Issue 6749. The rough estimate of cost is £200.00**

Budget Heading: Road Safety (CIL).

Power: Parish Councils Act 1957 s1

Clerk

- 2. That the Parish Council approves Option A for the bus shelter which will be in black at a cost of £3199.00 ex VAT. That the Parish Council request Wiltshire Council, through Calne Community Area Transport Group, add this request to the Area Board Issue 6749, but accept that the full cost will be borne by the Parish Council if necessary.**

Budget Heading: Community improvements (CIL)

Power: Local Government (Miscellaneous Provisions) Act 1953 s4

Clerk

- 3. That the Parish Council approve Option 2 for the waste bin, to be fixed to the existing bus stop pole, at a cost of £49.00 ex VAT plus the cost of 3 years emptying for the bin (£2.50 per week) £390.00. That the Parish Council request Wiltshire Council, through Calne Community Area Transport Group, add this request to the Area Board Issue 6749, but accept that the full cost will be borne by the Parish Council if necessary.**

Budget Heading: Community Facilities, (CIL) the cost of the bin.

Maintenance Budget (CIL) 3 years emptying cost (£390.00).

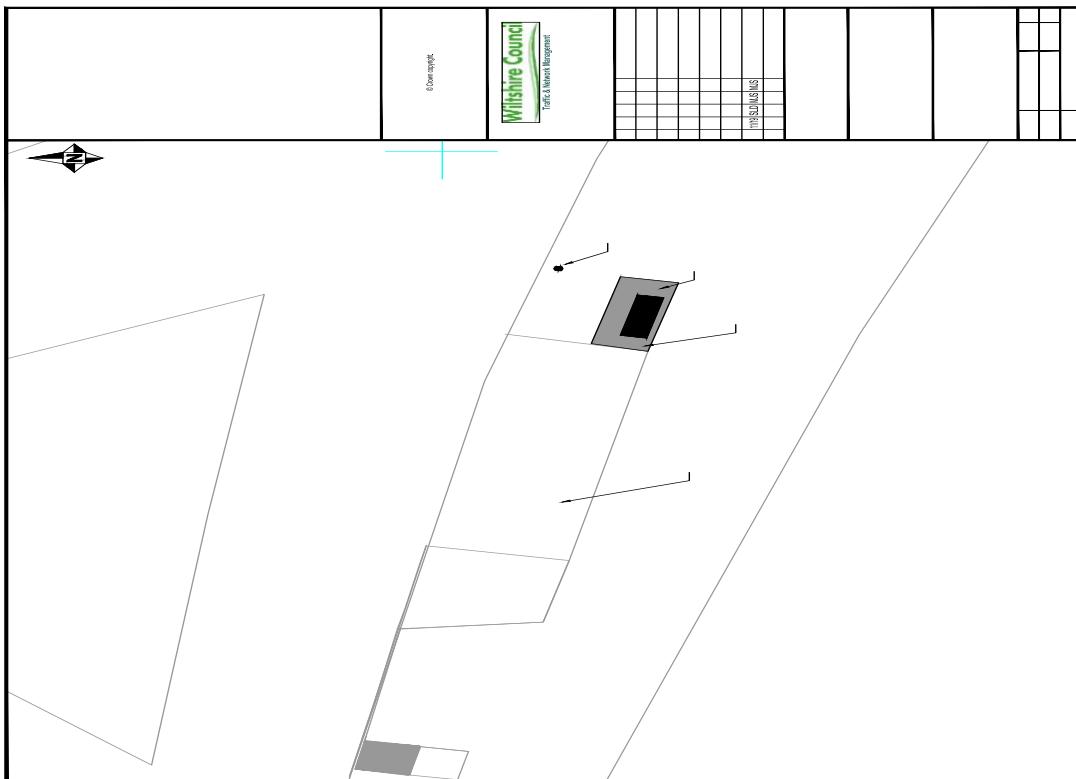

Power: Litter Act 1983 ss5,6

Clerk

Clerk

- 4. That Wiltshire Council be asked to liaise with the Kingsbury Green Academy School and its bus provider to move the school bus Stockley pick up point to the bus stop."**

Wiltshire council have now quoted to carry out the work to remove the bench according to the plan below.

The estimate based on 2020/21 prices is £1,120. This includes for breaking the bench out of its current anchoring point and the provision of a new foundation and hard standing around the bench.

The Clerk having discussed the cost with Cllr Baker and at her request has asked for a quote to simply remove the bench. The cost is awaited.

It is understood that the Parish Council contributed to the cost of the bench originally and Mark Stansby of Wiltshire Council Highways wants the Council to be clear that it is possible just to remove the bench but that the bench cannot be saved to be used elsewhere in the Parish and will be reused wherever in the Wiltshire Area is most suitable.

Recommendation: That the Parish Council approve the cost of the removal of the bench only.
