Dear Cllr Clewer,

**Community Governance Review 2019/20 – Consultation on Draft Recommendations**

Calne Without Parish Council considered the Electoral Review Committee's recommendations at its meeting on the 8<sup>th</sup> June 2020 and agreed the following unanimous response.

1. In supporting Wiltshire Council's Electoral Review Committee's draft Recommendation 9, the Parish Council acknowledges that the Electoral Review Committee recognised compelling evidence and support for a new Parish Council for Derry Hill and Studley but that it also saw the need to consider this more broadly in the context of the remainder of Calne Without Parish, the adjacent Parishes and requests for change from Calne Town Council as soon as practicable.
2. In respect of Recommendation 10 the Parish Council supports the recommendation.

I would be grateful if you would keep me informed of progress on this matter and any prospective dates for Council meetings so that I can keep Councillors informed.

Yours sincerely,

*S Glen*
