**Statement of Reasons For Making the Above-Mentioned Order**

For the purpose of carrying out an experimental scheme of traffic control.

At the request of the Parish Council, a trial of the parking restrictions are to be implemented to provide safer ingress and egress for pedestrians to and from the school and deter unsafe parking on the public highway, both along the frontage and entrance to Derry Hill Primary School. This will improve safety and visibility to road users in this area during school drop off and collection times.
